Another Plan to Reat Uncle Sam's Tax Laws Fails

(Community News Service) Internal revenue agents have finally caught up with a man who had what he thought was a fool proof scheme for defrauding the government.

Internal revenue agent Tom Smith says 45-year old Frank LaVielle filed tax returns under a number of aliases, using a return address in a different town—mostly in Texas and California—for each of the aliases.

LaVielle apparently knew that the government has been sending out tax refunds on the basis of the taxpayer's application—waiting until later to check withholding tax forms submitted by employers.

LaVielle was arrested at Braidwood, Ill., where he went Saturday from his home in Joliet to pick up three tax refund checks forwarded from California—in accordance with change-of-address instructions he gave the post office.

Smith said LaVielle had on his person a list of 21 refund checks he expected to get from the government for tax returns filed in six states.

U. S. Commissioner C. S. Bentley Pike set LaVielles bond at five thousand dollars, scheduled a hearing for May 24.

LaVielle lived in Decatur, Ill., until last Thursday when he moved to 1119 Summit st. in Joliet. He is a timekeeper for the Stanley Carter company of Detroit, which does work for the Caterpillar Tractor Co., in Illinois.

Seek Blood Donors For Albert Koenig

Blood donors are needed for Albert Koenig, 52, an uncle of Mrs. Harry Scudella, of Frankfort, Mr. Koenig is in St. Joseph's hospital, Joliet, awaiting surgery. At least 16 donors are needed for the necessary transfusions that are required before the operation. Volunteers are asked to contact the blood bank at the hospital and make an appointment.

It's just as well to plant your garden on a nice day, since you won't gain any time by planting under bad conditions.

Claims Cattle Were Diseased, Sue for \$40,000

Another suit resulting from his cattle deals has been filed in the Will county circuit court against Adolph Bonem, who has a farm near Monee.

The suit was filed in the Will county circuit court by Otto F. Wollner and his wife Loretta, of Rt. 1, Girard, Ill., thru the law firm of Krusemark and Bertani.

The Wollners contend that Bonem sold them cattle in 1953 which were allegedly sound. The Wollners charge that the cattle had Bang's disease and as a result they had to be sold as such at a substantial loss.

The plaintiffs say they purchased 14 cows and a heifer (all dairy stock) for \$4,950 and later bought five more dairy cattle from Bonem for \$1,375.

The plaintiffs are asking \$15,000 for the cattle and an additional \$25,000 on the grounds that they contracted undulant fever as a result of the cattle having Bang's disease, thus the total sum sought in the suit is \$40,000.

FORMER PUPILS, FRIENDS WILL FETE TEACHER

A reception honoring Mrs. J. C. Knight of Frankfort who is to retire as a teacher at the close of the present school year, is to be held Sunday afternoon, May 6 at the Green Garden town hall.

Mrs. Knight, Lala, has been teaching school in this area for 30 years, the last 11 in Green Garden.

The reception for Mrs. Knight is to be given by the PTA of Green Garden, Peotone, Unit 207-U, and the hours will be from 2 to 4 o'clock. All friends teachers and former pupils are invited to the affair.

Mrs. Knight is a graduate of the Teachers college at DeKalb. She was originally from the Champaign area, coming to Frankfort 30 years ago.

John Graf, 74 Homer Twp., Dies; Rites At Lockport Monday

John D. Graf, 74, died Thursday, April 26, at his home on 159th st., Homer township.

Funeral services were held Monday from the Miller chapel at Lockport to St. Dennis church with burial in St. Michael's cemetery on 159th st.

Mr. Graf was a native of Austria. He was born Feb. 22, 1882 and came to the U.S. when he was 22. He was formerly employed at Schrage's restaurant, and by Fred Hoaglin but retired five years ago because of ill health.

Besides his widow, Anna, Mr. Graf is survived by a brother and two sisters in Austria.

TEEN AGE DANCE

RAINS BENEFIT FARMLANDS IN ENTIRE AREA

Steady rains last week end brought an end to the shortage of moisture for the subsoil that was causing considerable concern to farmers in the area.

Almost four inches of rain fell in the area and it was much needed. The snowfall of the past winter was considerably under normal and there was little rain.

Farm advisers say that the rain last weekend came at a crucial time April had been dry. In the first 26 days of the month there was but an inch of precipitation.

Farmers report that the soil was in good condition for the rainfall of last weekend. The rain soaked in, they said, and there was little run off.

Oats and legume crops were given a boost and there will not be any appreciable delay in general farm work, it was said. The weather has been too cold for much work and the experts say it is too early yet for planting corn.

There are a lot of corn borers around in the larva stage and the experts say that if corn planting is held up for a bit it will be all for the best. If this first cycle of borers attain the flying stage before any of the corn is up most of them will perish and so reduce the number of the following cycles, it was said.

Funeral Rites Held Monday for John Warning

Last rites were conducted Monday afternoon for John Warning, 82, late of 203 N. Cedar Rd., New Lenox. Funeral services were held in the New Lenox Methodist church with the Rev. George Martin officiating. Burial was in Maplewood cemetery, New Lenox.

Born in Germany, Mr. Warning came to this country in 1881 and settled in Mokena. He built and operated a large ditching machine in Mokena, the first of its kind in this area.

On Sept. 11, 1901 he was united in marriage with Marie Claussing of New Lenox, and they made their home in Mokena. In 1924 he and his family moved to New Lenox where he established a garage which he operated until the time of his death. He was known as an expert auto mechanic. He died in his home April 27 following an illness of about six months, during which time he had undergone surgery several times.

Surviving beside his wife are four sons, Lloyd of Mokena; Clarence, Peotone; Leonard and Donald of New Lenox; two daughters, Mrs. John Embing, (Merlyn), Manhattan; Mrs. Frank Doyle, (Edna), Manhattan; 14 grandchildren, three great grandchildren and two brothers, Fred of Frankfort and George of Mokena.

MOTHER-DAUGHTER BANQUET

Mrs. Ella Malecki of Chicago Heights will be the speaker at the Mother-Daughter banquet to be held at the Calvary Baptist church in Lincoln Estates.

The Women's Mission circle is sponsoring the banquet which will be held in the church dining room Tuesday, May 8 at 6:30 p.m.

The Amvets Auxiliary of Mokena will sponsor a social dance for teen-agers to be held in the old school hall of St. Mary's church. It will be held Saturday, May 5 from 7:30 to 10:30 p.m.

Timber stands need to be "weeded" the same as cultivated crops.

Plant Tree on Mokena School Grounds

In observance of Arbor day, pupils of the sixth grade of the Mokena public school planted a white birch on the school grounds Friday afternoon. The tree was made available to the school thru Betty Lehmann, daughter of Fred G. Lehman and Mark Muehler, son of the W. A. Muehler, who earned it thru their work in a 10-week's junior forestry course last fall at the Morton arboretum. (News-Bulletin Photo)

REDECORATE MARLEY CHURCH

Church services were held in the newly redecorated sanctuary of the Marley church Sunday.

The walls have been canvassed and painted a shade of coral. The Brotherhood room is in tan beige. The woodwork is varnished with a satin finish. The pews have been cleaned and varnished with a special hard varnish. The floor has also been varnished. The old hanging light fixtures have been replaced by seven of the most modern type of recessed fixtures which give more than three times the light of the old ones but with no glare.

In addition to all these things completed, the near future will see fresh green lawns, painted porches, new front doors, new chancel and choir draperies, a new rostrum carpet and new beige drapes on the windows of the Brotherhood room.

Church services have been held in the basement during the past month while the decorators were working.

Selective Service Officials Clear Up This IV-A Business

Many young men in this area have been wondering why their Selective Service classification has been changed from I-C to IV-A.

The official explanation was given by draft officials. Class IV-A is for men who have completed their military service. Formerly some of these were in Class I-C but because of a change in Selective Service regulations they had to be taken out of I-C and put in IV-A. It is only a technical change and does not affect a man's liability for service, it was explained.

The former class I-C (Discharged) and I-C (Reserve) were abolished by the recent change in regulations, and men in those classes had to be automatically reclassified into IV-A. Draft board officials say they have received numerous inquiries from worried registrants as to the meaning of their new classification, and assure them they have nothing to worry about if they are in IV-A because that means their military obligation is completed.

Will Show Movies, Discuss Work at Trinity School

A special program is to be held at St. Mary's hall in Mokena the night of May 17 under the auspices of the Sacred Heart League, dealing with Trinity school, Trinity school, which is on Gougar road, north of U. S. Rt. 30, is oriented for the benefit of exceptional children.

Mrs. Stanley Stempien, of Joliet, will discuss the school, its program and aim at the Mokena meeting. She also is to show movies picturing the work that is being done at Trinity.

It was formerly known as the Gougar school. The Mokena meeting is scheduled for 9 p.m. it was announced by Mrs. Kathryn Owens. The public is invit-

Phone Recites Food "Specials" At Mokena Store

The Shopping Bag, a Mokena food store, is now broadcasting its "specials" via telephone, the first time a phone has been put to such use in the nation.

Thru arrangements with Ralph Thoresen, owner of The Shopping Bag, the Illinois Bell Telephone Co. has installed a special phone in the store for a 30-day trial. If it works out satisfactorily, other key installations will be made and eventually it is expected the idea will be used thruout the country and in other stores as well as those dealing in groceries.

It is like calling for the time or the weather at Chicago. The new phone at The Shopping Bag is Mokena 5212. As soon as the connection is made a voice is heard listing bargains and prices and other information concerning the goods offered for sale.

The messages are recorded on tape and voiced as soon as a connection is made. The average message is of about 30 seconds duration.

The experiment is part of the telephone company's program of developing more uses for phones and Thoresen's program of more service to the public.

DEATH CLAIMS ANNA SHEPLEY

Mrs. Anna Shepley, 69, nee Loetcher, who lived in her farm home in Mokena for the past three years, died in St. Joseph's hospital, Joliet, April 27. She had been under the doctor's care for a heart ailment for several months.

Born in Troy township west of Joliet, she moved with her parents to a farm near Frankfort and later to a farm west of New Lenox. She was united in marriage with Harry Shepley Feb. 22, 1909. They established their home on the farm west of New Lenox where they lived for 10 years. The following 32 years they lived on the farm where the Lincoln-Way high school is located and after selling the high school they bought the farm at Mokena, on School House road.

Beside her husband she is survived by three daughters, Mrs. Thomas Cruise, Mrs. Jack Kokal, New Lenox; and Mrs. Charles Friant, Monroe City, Mo.; a son, William, Mokena; two sisters, Mrs. Herman Fenske, New Lenox and Mrs. Jay Hitchcock, Chicago and a brother, Joe Loetcher, Joliet; also three grandchildren. Her son Thomas preceded her in death.

Funeral services were held Monday morning in St. John's Catholic church, Joliet with burial in the church cemetery.

Ceremony Will Take Place at St. Mary's Sunday Afternoon

CREATES 4-WAY STOP AT FRONT AND MOKENA ST.

At its regular meeting Tuesday night the Mokena village board hired a policeman and voted for immediate enforcement of a traffic ordinance which covers stops as well as speeding.

Signs were being erected on Front st., at the intersection with Mokena yesterday, making that corner a 4-way stop.

Stop signs also are to be erected on Mokena at LaPorte road; on Center st. at LaPorte rd.; on Division st. at Third, and at Tinley Park rd., where it joins Front st., from the south.

The police officer hired is William Cheney, of Joliet, who has been serving as an extra deputy on the sheriff's staff for the past eight years. He will have both county and village authority. Vernon Bormet, who has served the village as a police officer also will be retained as such.

The Mokena trustees received a letter from the village school board asking for permission to run a water connection to its new school site west of Wolf rd., on what will be an extension of Second st. A part of the site is within the village limits and indications were that the school board would ask that the entire 12 acres be annexed. No action was taken relative to the water connection Tuesday night.

Harry Opitz, of 60 Parker st., asked the board of the possibility of the village regaining the dead-end portion of Union st. and the alley paralleling Parker st. on the south, which were vacated by the municipality many years ago.

He explained that a group living in the vicinity wanted the former street and alley opened to provide a way for youngsters and other who now take a short cut thru yards. He was advised to inform the group to have their attorney get in touch with Ray Hoolehan, the village attorney, to discuss the point of law involved. The vacated portion of the street and alley are said to be now a part of adjoining property.

John Balaz has requested the board to have the tree roots removed from a drainage tile in front of his home. He said that the obstruction caused water to back up into his basement.

Residents of Revere st. complained of water standing there. The village will have a couple of loads of stone spread to relieve the condition temporarily. Mayor John Scrath told the property owners that the problem was one of several that would be taken up after the consulting engineer hired by the village completes his survey and makes recommendations.

Robert Fredin, a builder, has asked approval by the village of a plat for subdividing a portion of Brightwood, south of the Rock Island tracks, into 119 lots. The lots will have a frontage of about 100 feet and a depth of 180, according to the plat. Fredin is now building a home in the area that has 1250 square feet.

Juvenile Court Judge to Address Palos Heights PTA

The Palos Heights PTA will have Judge Thomas E. Kluczynski as its speaker at its closing meeting of the year, 8 o'clock next Thursday night, May 10, in the school on 127th st. and 69th Ct.

Judge Kluczynski has been head of the juvenile court of the Cook county juvenile court since 1952. This is said to be the first juvenile court established.

Judge Kluczynski has been practicing law since 1927. Since 1952 he has handled approximately 7,000 cases in the juvenile court. In his appearances before audiences the judge discusses family problems. The meeting next Thursday will be Father's Night. Mrs. Bernard DeWitt has arranged the program and Robert Dryfoos will serve as master of ceremonies. The Palos area Explorers Scouts will present the colors. A quartet from the Palos Barbershoppers will sing and refreshments will be served by the first grade mothers. The Rev. S. J. Radcki will give the invocation.

The meeting is open to the public.

A big step in the 92-year history of St. Mary's parish, Mokena, will be completed Sunday, May 6 at 3:30 p.m. when his excellency, Bishop Martin D. McNamara of Joliet dedicates the parish's recently constructed school and church-auditorium.

Since the opening of the school the parish has grown steadily and this growth has forced the parish to erect both a larger school and church. The present building is a combination school and church-auditorium. It is the hope of those in charge this will take care of the growth for some years to come. The school has room for eight classrooms, four of which are now in use.

The church-auditorium will hold five hundred people. Someday in the future when the growth of the parish warrants it, a new church will be erected and the present church-auditorium will be the school gym and parish hall.

The new building was designed by K. M. Vitthum and J. J. Burns, associated architects of Chicago. The general contractors for the building were Eirkson and Blanchard, Inc. of Wilmington. Ground was broken in January 1955 and the building was completed later the same year. The school was first used after Thanksgiving, 1955 and the first Mass in the church-auditorium was the midnight mass last Christmas.

Because of the need for space a new site was purchased for the construction of the building and eventually the complete parish plant will be constructed on this site at 115th avenue and 195th street.

Highlights of the program Sunday will be the actual dedication ceremony by Bishop McNamara and the talk by the bishop. Present will be the Very Rev. Pres. Barth O.F.M., Provincial of the St. Louis Province of the Franciscan Order, and many of the monsignori and priests of the Joliet area. The sixty-two choir of the St. Joseph Franciscan seminary of Westmont, will sing for the occasion. After services there will be a dinner for the attending clergy in the new school hall.

SCHMUHL DIST. WILL VOTE ON BONDS JUNE 2

Voters of the Schmuhl school will go to the polls June 2 to pass on a proposed \$50,000 bond issue needed to finance construction of an addition to the present plant.

The school now has an enrollment of 42 and by 1960 it is expected there will be 72 pupils there.

The present plant was built as a one room school but 42 pupils are too many. As a result the directors made a room in the basement so that one class is held there and one on the main floor.

County and state school authorities frowned upon the use of the basement for class space, although there are many schools thruout the state that have had to adopt similar means in order to find room for their growing enrollment.

But even the basement at Schmuhl can't accommodate more pupils so the only thing left for residents of the district is to put an addition to the school or merge with another district. It was pointed out, and when the subject of merger came up last year a majority of the people expressed a desire to have their own school.

If the bond issue is approved it is planned to build a three room addition to the school.

CANCER DRIVE YIELDS \$545

The cancer fund drive conducted in New Lenox and Lincolnwood Hills during the month of April proved most successful. The total amount collected by the house to house solicitation was \$545.60.

The drive was conducted this year under the auspices of the New Lenox Garden club, with Mrs. Leon Frey, Mrs. James Hope and Mrs. Frank Valy serving on the committee. They are most grateful to all who helped make this drive successful by contributing so generously.

CARD OF THANKS
I wish to thank all my friends and relatives who sent cards, flowers and gifts to me while I was in the hospital. Your thoughtfulness will always be remembered.
MRS. CHARLES BURKHARDT, SR.

Mr. and Mrs. Maurice Angland returned Saturday from a week's motor trip to North Carolina.

Mr. and Mrs. Oscar Schmidt of Wolf road and Marley road are moving within a few weeks to Dwight where they are opening a new restaurant. It will be located at 192 East st., and will open June 1.

The condition of Jack Schaub is showing a little improvement. He is in St. James hospital, Chicago Heights, where he expects to remain for a few more weeks. No visitors are allowed.

Mr. and Mrs. Salvatore D'Salvo of Brighton Park recently moved to Mokena into the Nick Klingner home, 192nd and 114th av., which they purchased. Mr. D'Salvo has just retired from his work at the International Harvester Co., where he was employed for 33 years as a millwright.

Mr. and Mrs. Arthur Onland and daughter Dorothy Ann spent the week end with the former's grandparents, Mr. and Mrs. Sven Forsman at Fox Lake.

Mr. and Mrs. Willis Schiek and family moved over the week end into their newly built home on 181st st. They formerly lived in the Christy Sipple flat.

Mr. and Mrs. Lloyd Tomany, have sold their home on Front st., to his uncle and have purchased a newly built house in the Robinson subdivision on LaPorte road.

Mr. and Mrs. Thomas Everhart have sold their home at 20055 Scott st. The family will move to Lansing, Mich., June 15 where he has been transferred by the Oldsmobile division of General Motors where he is employed.

A training camp was held at the Boy Scout camp near Morris last week end for Scout masters and their assistants. Arthur Onland and Albert Janer of Mokena attended. Due to the inclement weather, the men had to stay in the club house instead of camping out. This week end they will again go to the camp and have a Hammer and Saw workout, to prepare all equipment and facilities for the coming season.

Mrs. Katherine Horras underwent surgery on her foot and leg Monday afternoon in the Presbyterian hospital, Chicago.

Mrs. Harry Laurence has returned from Silver Cross hospital where she was a medical patient for five weeks. She has had a telephone installed in her home so that her friends can talk to her while recuperating. Her telephone number is 5264.

Troop 40 of the Mokena Girl Scouts spent an enjoyable week end at Camp Channa-Chalet, despite the rain and cold. Accompanying the girls and driving

were Mrs. Donald Ambuehl, Mrs. James Horras, Mrs. Dean Troxel and Mrs. Scott Perry. The time was spent by working on their badge requirements, cooking-out, hiking and by entertaining a troop from Joliet. Girls earning first badges were, Marilyn Ambuehl, Bonnie Bruce, JoAnn Heim Susan Perry, Caroline Rinke, Sue Ann Shoop, Kay Swinford, Patricia Walsh, Theodora Zemeske, Gayle Harling, Paulette Cooper, Linda Troxel, Margo Book, Betty Boyson, Elizabeth Gibson and Patty Davies. Mrs. George Rinke drove to the camp Sunday and took the girls of St. Mary's church to the Catholic church in Minooka. Mrs. Ambuehl and Mrs. Horras took the other girls to the Methodist church in Hannahan. Some of the girls returned Sunday afternoon with Mrs. Rinke and Mrs. Davies.

Cub Scout News
The monthly meeting of the Mokena Cub Scout pack 40 was held last Thursday evening in the school gym, with Scout masters, Charles Swenberg and Wendell Hamilton in charge. After roll call taken by George Gorman it was found the attendance award was given to den 2, Mrs. Ray Hoohehan, den mother. This is the third consecutive time that this den has won this prize and they are going to try hard to win it at the next pack meeting.

Den 2 was in charge of the flag ceremony.

Den mother, Mrs. George Bernard led in the singing of Cub Scout songs.

The program was presented by Den 2 which consisted of three short plays, by den 7, Mrs. Ray Westlund was the narrator and Mrs. Wendell Hamilton, the stage manager and supplied the costumes for the skits.

Bob Cat Awards were presented to Mike Bernard, Jack Chisholm, Neil Erdmann, Gregory Schert, David Edman and Jimmy Everhart.

Wolf badges to Gregory Fant, Dale Westlund, George Demus and Larry Weathers.

Bear badges to Ross Howes and Randy Hurley.

Gold arrows to Denny Cappel, Dale Westlund, Paul Dath, Russell Gilles and Robert Horras.

Silver arrows to Russell Gilles.

Since the last pack meeting, a new pack has been formed. It will be known as den 7, Mrs. George Bernard will be the den mother.

For the past two months, Mrs. Hamilton has taken over the duties of Den mother for Den 2 with the meetings in her home, during the absence of the regular Den mother, Mrs. Ray Hoohehan. Starting this Friday, Mrs. Hoohehan will resume her duties again with the meeting being in her home as formerly.

HOMER
Lockport, R. 1
Telephone Lockport 1387M

Miss Margaret Welter was guest of honor at a personal shower in the home of her aunt, Mrs. Ann Grady of Lockport Saturday evening, April 21. The decorations were in aqua and yellow, the chosen colors of Miss Welter, who on May 12 will be married to Charles Adelman. Refreshments were served from a table beautifully adorned with silver and white souvenir wedding bells. Many lovely gifts were presented by the 24 relatives and friends who attended. The groom-to-be is stationed with the army in Germany and will fly home a few days before the ceremony for a 30 day furlough. Saturday evening, April 23, 22 girl friends surprised Miss Welter with a miscellaneous shower in the home of Barbara Astrom near 143rd st. Dainty refreshments were served following games and the presentation of the many beautiful gifts.

Next Sunday will be Conservation Day and Homer church, along with most churches, will have an appropriate sermon on the subject.

Jerome Paddock, Lewis Barr and John Hollister attended a Layman's Fellowship meeting of Congregational - Christian churches at Peoria Sunday.

Word has been received of the death of Howard Fiddymont of Plainfield. His wife is the former Harriet Wright who spent her girlhood in Homer.

Mrs. George Welter has been spending a few weeks in Shreveport, La., with her daughter, Gloria, while the latter's husband, Major Fred Thatcher has been in an Air Force base hospital following a heart attack. Maj. Thatcher is improving and Mrs. Welter expects to return home soon.

Mrs. F. J. Paddock, Mr. and Mrs. Robert Burch, the Rev. Philip Muth, Jerome Paddock and Lewis Barr attended the Aurora Association meeting at Yorkville last Sunday. Mr. Paddock was appointed president of the Men's Fellowship of the

Association. Rev. Muth invited the Association to hold the Fall meeting at Homer church and the invitation was accepted.

Mrs. Frank Loucks and Mrs. Fred Burch attended a hobby show and African violet display at Downers Grove Congregational church Thursday.

Marcella Troutman was a dinner guest in the home of the Bruce Andersons April 21, when Faye Anderson was celebrating her birthday.

Raymond Ott of Lockport, a former well known Homer resident, has been critically ill in Silver Cross hospital for several days. He is improving in health and expects to come home this week.

Passing of John Graf
John Graf, age 74, died Thursday, April 26, at his home on 159th St., Homer township, following a lingering illness.

Born in Austria Feb. 5, 1882, he came to the U. S. at the age of 22 and has resided in this vicinity for 23 years. Funeral services were held from the Miller funeral home Monday morning at 9 o'clock and to St. Dennis church, Lockport at 9:30. Burial was in St. Michael's cemetery, Homer.

Surviving are his wife, Anna; a brother, Luke, and two sisters, Mrs. Johanna Bumper and Mrs. Anna Gardner of Austria.

John Kaste is recovering from a recent illness during which he was hospitalized. Mrs. Kaste is under the doctor's care in their home at 159th and Homer rd.

Death of Bernice Lindstrom
Friends and relatives here were shocked at the news of the sudden death of Mrs. Bernice White Lindstrom of Lockport who died at Silver Cross hospital Saturday morning, April 28, following a grief illness.

She was born in Homer township, October 16, 1924 and has lived in Lockport 20 years. She was a member of the Ladies of the Moose, and recently had been employed as a secretary for the McGovern Motor Co. at Lockport. She and her husband had recently purchased a new home in the Kelvin Grove subdivision.

Funeral services were held at the Goodale Funeral home Tuesday with the Rev. John Phillips officiating. Burial in Phillips City cemetery. Mrs. Lindstrom is survived by her husband, Russell, an employee of the Pure Oil company; a daughter, Deborah Jeanney, a son, Allan Russell; a stepson, Kenneth Lindstrom; her parents, Mrs. George Diment of Lockport and Ross White of Joliet; two brothers, Norman and Glenn, both of Lockport; two half-sisters, Sharon Lee and Rebecca Lou White; two half-brothers, Charles and George White; and her grandfather, Charles White of Homer township.

REACHES DEEPLY . . .
It is truly said the devotion of a mother is our nearest approach to Heaven on Earth.
Anna Jarvis subscribed to that belief when she founded Mother's Day years ago.
We wear a red carnation or rose to honor our mothers who live . . . a white one in memory of mothers who have gone.
It is important, also, to perpetuate the memory of loved ones in some lasting form.
Let us help you in your selection of a fitting memorial.

TINLEY PARK WOMAN'S CLUB INSTALLS STAFF FOR 1956-57

Mrs. Lewis Shawver was installed as president of the Tinley Park Woman's Club last Wednesday by Mrs. William Schultz who is recording secretary of 3rd district I.F.W.C. Mrs. James Cheney as vice president, Mrs. D. W. Gruber, 2nd vice president, Mrs. D. W. Gruber, 2nd vice president and federation extension chairman, Mrs. Elmer Knudsen, treasurer and Mrs. Richard Freund, recording secretary.

Mrs. Voris Miller, retiring president, announced the spring luncheon will be held Wednesday, May 23rd at the South Side Swedish club in Chicago. Reservations may be made with Mrs. Hal Kent, chairman of the luncheon committee. The program will be given by Marjorie Davis Rowell, dramatic artist.

Guests introduced were Mrs. William Schultz, who is also a past president of the Brainerd Woman's club, Mrs. Frank Unger, retiring president of Forest Ridge Woman's club and Miss Ida Patterson, visiting from Atlanta, Ga.

Announcement was also made that Mrs. Walter Eichelberg, garden chairman of the club, will be the general chairman of the 3rd annual south suburban

flower show to be held in Chicago Heights June 1 and 2.

Mrs. Richard Freund, mental health chairman, asked as many as possible to attend the orientation classes for volunteers to be held at Manteno State hospital May 14 and May 21. The club wishes to establish monthly visitations at the hospital and volunteers are needed.

Mrs. Ida Grossfeld, a representative of the Volunteer services at Manteno State hospital was the speaker of the afternoon. Assisted by A. J. Morgan, a member of the psychiatric staff a film "The Power of Pink" was shown. The term "pink" is derived from the smocks worn by the volunteer workers which immediately identifies them as friends to whom the patients may turn, and the film in color is accompanied by excellent narration.

Hostesses for the social hour following the meeting were Mrs. George Keuch, chairman, Mrs. Dallas Webster, Mrs. Hilding Anderson, Mrs. John Swisher, Mrs. Phyllis Nelson and Mrs. Olive Panknin. A unique arrangement of pink carnations and pink snapdragons in a silver bowl was the centerpiece on the tea table and Mrs. Lewis Shawver and Mrs. Voris Miller presided.

PATRICIA KNOWLES, NEW LENOX, WILL WED MAN FROM KANKAKEE

Miss Patricia Ann Knowles' forthcoming marriage to Wendell Keith Holman, son of Mr. and Mrs. Robert Holman, 839 South Main street, Kankakee is being announced today by her parents, Mr. and Mrs. Edmund T. Knowles, 45 South Cedar road, New Lenox.

Wedding promises will be recited by the couple at an 11 o'clock mass May 12, in St. Jude's Catholic church, with the Rev. Denis Hall officiating at the double ring ceremony.

Invitations have been issued but all friends of the couple are invited to attend both the wedding and the reception, which will be held at 7 o'clock that evening in the Lions Den.

Miss Knowles, who is a graduate of Joliet Township high school is presently employed in the office at the Joliet arsenal.

The prospective bridegroom, who is a graduate of Gardner high school, and who spent two years as a corporal in the U.S. Army at Fort Leonard Wood, Mo., is also employed in the office at the arsenal.

Members of the bridal party will be: Mrs. Mary Alice Knipple of Neosho, Mo., sister of the bride-to-be, who will be Matron of honor; Miss Phyllis Holman of Kankakee, sister of the bridegroom-to-be, and Mrs. Frances Knowles of Manhattan, sister-in-law, will be bridesmaids; Miss Jill Knowles, sister, will be junior bridesmaid, and Little Theresa Cook of Channahon will be the flower girl. Don Kerouac of Bradley will attend Mr. Holman as best man; Edmund Knowles, Jr., Jim MacFarland, and Edward Sweitzer will be ushers, and David Holman will be ring bearer.

COUNCIL OF CATHOLIC WOMEN TO OBSERVE PRESIDENT'S DAY

"Presidents' Day" in South District of the Archdiocese Council of Catholic Women will be observed Tuesday, May 15, at 2 p. m. at infant of Prague, Flossmoor Rr. at Leavitt Ave., Flossmoor. Mrs. Paul Corbett, Park Forest district president, will preside.

The meeting is one of a series of twenty conducted in Cook and Lake counties between April 23 and May 25.

The Rev. Joseph F. Burke, administrator, will open the meeting with prayer and welcome the women.

Each president of a parish organization and of an associate affiliated organization within the boundary of the district will report on the attainment of her group during the club year just ending.

Accomplishments in the field of spiritual, educational, and charitable activities, Girl Scout troop sponsorship, civic participation, volunteer service in Red

Cross, March of Dimes, USO, and St. Vincent's Orphanage, and cooperation in ACCW's Dignity Crusade will be noted by the lay leaders.

In keeping with the Council's traditional plan in spring of featuring Mary, the Mother of God, in one of her titles in the Litany of Loretto, the Rt. Rev. Msgr. Walter E. Croarkin, pastor of St. Agnes, Chicago Heights, district adviser, will address the representatives on "Queen of the Most Holy Rosary."

Special guests include Council personnel: Very Rev. Msgr. Thomas J. Fitzgerald, executive director; Rev. Joseph J. Howard, assistant director; Mrs. Peter Joyce, archdiocesan president, and Peggy Roach, executive secretary.

Mrs. Robert Roberts, St. George, Tinley Park, district vice president, and Mrs. Morris hostess president, are in charge of registration. Mrs. Joseph Kurczek, is president of the Tinley Park group.

Christian Science Churches

Man's true selfhood as the perfect child of God—possessing God-given dominion over sin, discord, and failure—will be set forth at Christian Science services Sunday, May 6.

Readings from the King James Version of the Bible and correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon entitled "Adam and Fallen Man."

From the Bible will be read this passage from II Timothy (3:16-17): "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works."

Included in selections to be read from Science and Health is the following (304:14): "The perfect man—governed by God, his perfect Principle—is sinless and eternal."

Minuth Studio Shows Attract Many Spectators

A large attendance was noted at both the afternoon and evening shows given last Sunday afternoon by the Minuth Studio of Dance, in the Haven school in New Lenox.

The afternoon show was based on the ballet, Graduation ball, with the music of Johann Strauss. Mrs. Minuth and her students demonstrated what happened at a dancing school.

Approximately 100 members of the dancing school took part in the two shows with 46 students taking part in the afternoon performance and 80 in the evening.

Compliments were given to Mrs. Minuth for her scenery, which she painted; to Mr. Minuth, stage manager; to Robert Smith of Palos Park, technical assistance on the music and to Richard Smith, a stage hand.

Cook County Home Advisor Speaks on Household Needs

Mrs. Claradahl Upham, home advisor, explained the principal rules and system of the Cook County home bureau at the meeting held April 26 in the home of Mrs. George Smith. Co-hostesses were Mesdames S. M. Oates, S. H. Mohr and David Nelson. Mrs. Upham also gave the lesson on the contents of a home, cost and replacement. She handed each person a folder in which to list their household furnishings, and explained the reasons for this household inventory. It showed that much time was saved in case of losses.

Hospitality chairman, Mrs. Mary Kopp greeted each guest on arriving and had them sign the register.

The next meeting will be held in the home of Mrs. Anna Rizzuto May 24 with Mesdames Phillippo and Reichenberger as co-hostesses.

Guests present were: Mesdames Agnes Bock, Arthur Garrett, Paul Niemi, Thomas DeJano-vich, Donald Baskin, Jean Anderson, Calvin Hirsch, Wesley Brown, Frank Panizzo, Amos Douglas, William Fletcher, Charles Ostendorf, Z. A. Blitwich, William Krenon and Richard VandenBergh.

Legion Auxiliary of Tinley Park Honors Past Presidents

The American Legion Auxiliary honored the past presidents at their meeting last Friday. Eight past presidents were present, the other seven being unable to attend. Each one was presented with a gift, as was the junior past president, Mrs. Mamie Brandau.

Hostesses for the evening were Gertrude Jacobs, Dorothy Campbell, Josephine Schmeideknecht, and Bertha Mancke. Refreshments were served, bunco was played and each one received a prize.

Anyone wishing to purchase Stanley Products may contact Mrs. Jack Freitag or any member of the auxiliary.

The rehabilitation chairman, Creta Kuech, is asking for old eye glasses and cases to be sent to the Kankakee hospital and old neckties for Jacksonville hospital. The patients use the ties in making rugs.

The Past Presidents met at the home of Frances Ceithaml on Tuesday, April 17, for lunch and sewed carpet rags. Nine pounds of carpet rags were sent to Jacksonville hospital. Friday, May 11, the Auxiliary will offer or a guest, Mrs. Arthur Rasseve Mothers' Day. Each member is urged to bring her mothmussen is chairman and may be contacted at Kellogg 2-2422.

MAURICE P. ANGLAND
Selectivity has long been the keystone to successful investment and is even more important in conditions of today. Professional investment managers have long followed what is known as the "Industry Approach" to their investment decisions.

The Spring, 1956 issue of Standard & Poor's Economic and Stock Market Report carries a section titled "Industry Approach For Investment." The report states, "Actually, there are a number of stock markets within the orbit of the

major general list, in fact, as many individual markets as there are individual groups. Economic pressures and influences bear unequally on various groups at any given period, resulting in dissimilar and often divergent market action. Some groups rise or decline faster than the general list, and some frequently run counter to the general trend.

"The objective of the investor should be to recognize these various swings, and act accordingly. He is using poor judgment if he doggedly insists on maintaining a position in an unpromising group just because his investment happens to be in a big name company. He would strengthen his position by shifting to some other group offering more encouraging market prospects."

Standard & Poor's supplemented their Spring, 1956 report with an independent appraisal of the economy by one of the nation's outstanding economists, Dr. Sumner H. Schlichter of Harvard University who is also a director of Standard & Poor. In this report, Dr. Schlichter states "Even in the early stages of the current boom there were offsetting economic trends."

"A dramatic illustration of these opposite movements was given in January by the automobile and steel industries. Auto mobile production dropped more than 10 percent below December and 4 percent below January, 1955, but steel output in

January set an all time new high."

He goes on to state that at present it is much easier to make out a case for a rise in business for the rest of the year than it is to make out a case for decline. He points out that 40,000 miles of new interstate highways at a cost of \$27 billion will create many new investment opportunities; that the advent of color TV and reduction in costs of such sets, will make about 35 million present TV sets obsolete; that new automobiles will likely use far more aluminum than previously and that direct injection will likely replace the carburetor; that due to this, 50 million passenger cars on the road at present, will become obsolete rather rapidly; that new and more convenient electric refrigerators will make obsolete the present 40 million refrigerators now in use; that scientific and technological developments are increasing industry equipment outlays; that use of radiation is expected to bring about a near revolution in the chemical industry, requiring large capital expenditure; and that in the next decade diesel locomotives will be replaced by gas turbine locomotives.

He further states, "Finally, money incomes, and thus money demand for goods, will be raised by trade unions which will be quick to see that technological progress is converted into higher wages. I see no likelihood of runaway prices during the next decade, but it will be easier for prices to rise than to fall."

"It is obviously a world in which our ability to adapt ourselves to new conditions is becoming more and more important."

He concludes with, "A rapidly growing abundance of goods is in prospect."

Math Teachers Attend Conference
Mrs. Della Hussey, Albert Buckowich and H. Neil Hardy, math teachers at Lincoln-Way, attended the ninth annual conference on the teaching of elementary and secondary mathematics at Illinois State Normal University, Saturday, April 28. The theme of the conference was "The Flow of Mathematical Ideas." The principal speaker of the conference was Dr. Harold P. Fawcett of Ohio State University. Dr. Fawcett, an outstanding figure in the field of mathematics, teaching, has written several articles for national magazines on the nature of mathematical proof.

Music Festival
Approximately 500 people attended the 3rd annual conference, music festival held at Lincoln-Way on April 20. The members of the chorus and the band rehearsed Thursday from 7-9 p.m., after which there followed a get-acquainted sock-hop. On Friday they rehearsed with guest conductors, Mr. Yoder and Mr. Williams, from 3 o'clock until 5 with a fifteen minute break. The rest of the evening until 6:45 or seven was spent at dinner and on touring the building. A delicious dinner was served to 125 band members and 300 chorus members. During breaks in rehearsal students might watch television in the library or dance in the band room.

State Academy Meetings
Nine Lincoln-Way science students and three faculty members will attend the state meeting of the Illinois Junior and Senior Academy of Science in Springfield on May 4 and 5. Four students will exhibit projects. They include LeRoy Bitner's "Musical Light," John Weber's "Stereo-Phone Sound," Ralph Eisenbrandt's "Multi-Channel Intercommunication System" and Allan Mager, president of the association, who will exhibit the entry from the club at Lincoln-Way, "The Phi-Chem Association at Lincoln-Way." These entries all received first place ratings at the district meeting of the Illinois Junior Academy at Naperville

on April 14. James Cooper and Rudolph Guzik will be honored along with other high ranking science students of Illinois at the annual Projects Awards Banquet in the Armory Friday evening. Their transportation and banquet tickets are provided by the senior academy.

The Phi-Chem association is providing the program covers for this banquet as their contribution to the increased student interest in science. Over 700 student reservations have been received for this banquet.

Donald Korsgaard of Lincoln-Way faculty is to be the official Junior Academy photographer for publicity release in the newspapers and yearbook. George Dath and James Warming will act as representatives of the Phi-Chem Association and assist with general student activities.

In addition to exhibiting their projects, students will have an opportunity to visit plants of the area, New Salem and other points of Lincoln interest. They may also participate in student discussions of their interest, join

in meetings of the Senior academy, attend the annual projects award banquet and join in the Senior academy for their field trip on Saturday.

The students will be accompanied by George I. Burrow, H. Neil Hardy and Charles Eller-mann, science teachers, who will take part in the senior academy meetings and those for sponsors of science clubs.

Mr. Hardy, chairman of the science and math department of Lincoln-Way, was assistant chairman of state judging for the Springfield meeting. He is also editor of the Junior Academy yearbook.

Student Council Conclave
Jim Cooper and Ron Knak-muhs, president and president-elect of the L-W student Council were representatives to the 22 Annual Illinois Association of Student Councils State Convention. The meeting was held at the Sherman hotel in Chicago, April 27 and 28.

A varied and interesting program was planned by the student council executive board.

Four general sessions, a banquet, a dance, group discussions and election of next year's officers were featured.

The convention provides a wonderful opportunity for high school students to exchange ideas and to share original council projects with students from other schools in the state. Representatives left the convention with a better outlook on student council work and ways to improve their own organizations. The theme of the convention was "Make the Right Popular."

3. How far to Dunham? The distance is 60 miles. If the man left Dedham at noon and rode for four hours at 15 miles an hour, he would reach Dunham at 4:00 p.m., which would be an hour too soon. If he rode at 10

miles an hour, he would arrive at 6:00 p.m., which would be an hour too late. The appointment was for 5:00 p.m. and he rode at 12 miles an hour.

For the present, amuse yourself with these.

1. What happened to the dollar? Three men stopped at a hotel one night and went to three separate rooms. The charge for the rooms was \$10 each, so the men paid \$30 all told. The next day the desk clerk found out that the rooms could be rented for \$25, instead of the \$30 paid. Accordingly, he gave the bell-boy the rebate to be taken to the three men.

As it happened, the bellboy was not entirely honest, so he gave each man \$1 and kept \$2 for himself.

Now each man, after receiving the \$1 rebate, paid only \$9 for his room. This made \$27 for all three. The bellboy kept the other \$2, which makes \$29. What happened to the other dollar?

2. Noon and Sunset. In a city in California the sun is more than a thousand miles nearer

the earth at noon than it is in the evening when it sets. Can you figure out why this is so? (Note: draw a diagram at noon and sunset).

2. A big Indian and a little Indian stood on a hill. The little Indian was the big Indian's son, but the big Indian wasn't the little Indian's father. How was this possible?

"There are several games played with rackets, including squash, tennis, and all children's."—S. S. Biddle.

"It's a woman's privilege to change her mind—and her husband's."—Robert Q. Lewis.

Sign Up for VFW Boxing Program at Tinley Park

The first contingent of youthful athletes to sign up for the Veterans of Foreign Wars boxing program are shown here with the two men who gave the plan momentum, Walter Seyffert, left, and Marvin M. Smith, of the Tinley Park Times staff. Seyffert, who has had many years of experience as a boxing referee, has just finished his term as commander of Bremen post in Tinley, conceived the idea of an inter-community boxing program sponsored by the Veterans of Foreign Wars. Smith liked the idea and set up the machinery for promoting and publicizing the program. The plan is now in force in the 16th district of the VFW and reported as likely to spread. The boys who have signed up in Tinley are working out now at the fire station in the village hall. The place is available five evenings a week, from 7 to 9 o'clock. The boys shown here were the first to sign up but there have been other since. Those pictured, left to right, are Ron Simulick, his brother, Bob, Gerald Erskine, Edward Mercier, Bill Wolf and Joe Biont. Before the boys begin training they are given a three examination by Dr. Thomas O. Cantwell, who is contributing his services. Boys who wish to sign up for the program can do so by contacting Seyffert, or Joseph McCarthy, head of the Teen Club plan.

Blast Reavis: Also Victors in Triangular Meet

Carl Sandburg's thinclads crushed Reavis in a dual meet on Wednesday of last week, 75 to 43, sweeping both track and field events by convincing margins.

That the Eagles have more material coming up for the varsity that should do fairly well was evidenced by the showing of the Frosh-Soph squad that handed their opposite numbers at Reavis a 62-47 shellacking.

Al Kara took top individual honors, winning the high and low hurdles in the varsity meet and the broad jump for the Frosh-Soph. Gulden was high point man for the Frosh-Soph with a first in the pole vault and a second in the high jump.

Summary of Sandburg results in Reavis meet:
Varsity: high hurdle, Kara, 1st 100 yd. Ogden, 1st; Mile, Zinn, 2nd and Gee, 3rd; 220, Ogden, 2nd; Moore, 2nd; Low hurdle, Kara, 1st; Messina, 2nd; 440, Vos, 1st; Liston, 2nd; 880, Zinn, 2nd; Henkle, 3rd; Mile Relay, Sandburg, 1st; Gee, Zinn, Liston and Vos, Shot Put, Gee, 1st; Ogden, 3rd; Discus, Ogden, 1st; Kappel, 3rd; Pole Vault, Semetis, 1st; Hill, 3rd; Broad Jump, Messina, 2nd; Ogden, 3rd.
Score: Sandburg 75, Reavis, 43.

Frosh-Soph:
High hurdle, Arnold, 2nd; 100 yard, Gabriel, 1st; Pierce, 3rd; Low hurdle, Carroll, 1st; Jaklich, 2nd; 880, Williams, 2nd; Pierce, 3rd; 440, Borne, 2nd; 220, Gabriel, 1st; Shot Put, Hill, 1st; Borne, 2nd; Discus, Jaklich, 1st; Vos, 2nd; Gee, 3rd; Pole Vault, Gulden, 1st; broad jump, Kara, 1st; Vos, 2nd; high jump, Gulden, tie for 2nd.
Score: Sandburg 62, Reavis 47.

In a triangular meet involving Sandburg, Reavis and Evergreen Park, Sandburg was the winner with 63 points. Reavis was second with 46½ points and Evergreen third with 42 points.

Frosh-Soph Eagles Still Undeclared

Sandburg high school frosh-soph baseball team battled Argo to a 3 to 3 tie last Thursday evening. The game was called after seven innings because of darkness.

On Monday of last week the Sandburg Frosh-Soph made it six in a row by blasting Oak Lawn 8 to 0. Charlie Parks, up twice officially, belted a double and a single and scored three runs.

The Eagles varsity nine has a shutout over Lincoln-Way to its credit. The score was 10 to 0, with Ron Weingartner holding the Knights to one hit, Jim Gray got three of the Eagles' 10 hits, a home run and two singles.

Last Friday the Sandburg freshmen beat the Joliet frosh in a ballgame at Joliet, 4 to 0. Phil Yurtis held Joliet to one hit.

Sandburg Golfers Defeat Evergreens In Conference Play

The Carl Sandburg high school varsity golf team has begun its regular conference schedule with a win over Evergreen Park.

The match was played at Oak Hills but darkness compelled those in charge to call it complete after 12 holes. It was so dark by that time that play was seriously handicapped.

Strokes began to pile up on the last three holes played and all the participants were glad when orders came to "cease fire."

The total scores of the four lowest scores on each team revealed Sandburg on top by 15 strokes. Sandburg's total was 251; Evergreen had a total of 266.

Low man on the Sandburg squad was Dave Busch with a 57 for the 12 holes. Busch had a 42 on the out nine. Tom Schriber was second with 64 and Ron Creer and Tom Crinos each had 65. Elmer Morton had nothing but trouble plus on the last three holes and had to settle for a 70.

The Eagles also won three previous practice matches, one against Reavis and one against Evergreen Park. Sandburg is to meet Reavis again, at Timber Trails, course and this one will be for keeps.

Children to Visit Midway Airport

Orchard Hill Farm Kindergarten pupils will visit Midway Airport Saturday, May 5. They will be conducted to a plane and lunch in the Cloud room. This trip is one of a series of monthly excursions based on the current unit of study. The outing was planned for a Saturday so that fathers and mothers could accompany the children.

Saturday, April 28, four pupils participated, with Mrs. Leslie Johnson, director of the school, on the TV program "It's Chris". The pupils demonstrated art project and Mrs. Johnson explained how art furthers the "learn by doing" theory practiced at Orchard Hill. Mrs. Johnson wore a felt skirt decorated with cutouts the pupils had made. The pupils on the show were Mary Mason and Jeff Lake, Tinley Park; Deborah Neuschuler, Hazel Crest and Todd Rosenberg, Pottawatomie Hills.

Open house was held at the school April 26 and 27 for parents. Movies of the year's activities were shown, accompanied by pupil's comments and songs on the tape recorder. Parents compared a drawing of a man done in October with similar work done in April.

Sandburg High School Notes

Win Honors
On Saturday, April 14 four Sandburg physics students presented their science projects at the Illinois Junior Academy of Science, district meeting, held in the gym of the Naperville high school. As one of the requirements for their physics class, each student must present an original research project in some area of physics. Four of these projects were selected to enter competition at the district meeting of some fifty schools in the southwest area of Chicago.

After a morning of judging the following Sandburg projects were judged first, and thus have the honor to represent Sandburg at the Junior Academy's state contest to be held in Springfield May 4-5.

Bob Brabene, a senior student (as were all Sandburg participants) whose project was "The Effects of Sun Spots on Man and his Activities."

Wayne Joring, whose project was a five foot long model of a wind tunnel, was entered as "Wind Tunnel and Testing Apparatus."

The other two Sandburg students won second place awards. They were, Richard Kros with his project "Atomic Power Plant" and Paul Gollas with his project "Ceramics, an important part of the Jet Engine."

The boys were accompanied to Naperville by their teacher, D. G. Hopkins.

Sandburg Science Fair
The physics, biology and general science students of the Sandburg high school are busy putting the finishing touches on their science projects, which are to be exhibited and judged today, April 26, from 7:30 until 9:30. Projects range from atomic power plants to sun spots, with all research and work on the projects

having been done outside of school hours.

To judge the projects, the following men have contributed their services: Neil Hardy, head of the science department, Lincoln-Way high school; Norbert Jerling, principal Orland grade school; R. Van Norstrand, Sinclair research laboratory chemist; Dr. Katz and Dr. Peppard of the Argonne National Laboratory and E. T. Harding, Asst. to vice president Argo Corn Products Refining Company.

Along with the viewing of some forty students projects the public is invited to view one of the films on science to be shown continuously during the fair.

Afraid of the Dark

Three men face the Green Door. Each knows what lies behind it. Each knows it means death. Juan, a young Mexican, seeks and finds faith. The Captain, as always, remains a gentleman. Willie, the thug, spits, wisecracks, and says he isn't afraid until ...

Afraid of the Dark, a drama by George E. Callahan, has in its cast:

Butch Makutenas as Willie Gulick, the thug.

Dave Busch as Juan Castanegas, a young Mexican.

Jim Gray as the Captain, a gentleman but for one mistake.

Terry Akden as The Chaplain.

Bob Kaehr, Al Herberster, and Dave Laube as the Prison Guards.

The one-act play will be presented at an all school assembly on May 29 by the students of Mrs. Edward Klocke's speech class at Carl Sandburg high school.

Industrial Arts

The Industrial Arts department consists of four main areas or divisions. They are woodworking, metal, electricity and mechanical drawing! The students are shifted from one area to another periodically, every nine weeks. The classes consisting of woodworking and metal are classified together under the guidance of Mr. Jorstad. The electrical and drafting department are under Mr. Henderson.

In the area under Mr. Jorstad, the students go thru shop classes one, two, three, and four according to their years in school. In shop one they learn the principles of woodworking starting out with a layout on the drafting board. They also learn to plane boards, so that they are level. As they progress they learn to make larger projects.

By the time they are in the third year, they are allowed to use power equipment consisting of jigsaws, planers, wood lathes and many other various power equipment.

In metalworking the students start out with the principles of metalwork, and advance through the stages of working with sheet metal and progress to foundry work and welding devices.

In the area under the guidance of Mr. Henderson there are the principles of electricity and mechanical drawing. As the students start out in their freshman year they work on small projects such as the different splices of wire, and the principles of the electromagnet and the different phases of magnetism. They consist of the Ohms law and the underwriters knot extensions. Also in drafting they start out with the drawings of boats, cars and airplanes. In the drafting department the tools and equipment are supplied by the school. They consist of one T square, several sheets of 12x18 paper, 3 sided rule tape, and other various instruments which are required in drafting.

When the students reach second and third years they work on more advanced projects which consist of crystal radios and complicated electric motors.

Since July 1, 1955, the American Red Cross has spent over \$28,000,000 on disaster relief operation, the largest amount ever spent in a comparable period.

From ... to ...

First and all-inclusive, in the universal features of Saul's conversion, is the fact that this experience meant a turning around. His life pointed in a different direction ever after. Conversion means turning, and turning means a new course, a new destination, a new road. He turned from a negative to a positive life, from being against, to being for. His entire energy had been spent in hating Christ and Christians. Afterwards his entire energy was devoted to the service of Christ and Christians. Before his conversion Saul was chiefly noted for his eagerness to tear down. Afterwards one of his favorite words, and favorite occupations, was "building up." He was turned from pride to humility, from trying to get what he wanted, to trying to do what Christ wanted. Before, he was a masterless man; afterwards, he himself often said of himself that he was a "slave" of Christ. But it was precisely in being body-and-soul devoted to Christ for life, here and forever, that he found the freedom from evil in his own life for which, as a masterless man, he had sought in vain. In these and in other ways, the conversion of Saul was not peculiar. All true conversion is a turning, from a negative, empty, destructive and fruitless life, to the "life in Christ," a positive, loving, constructive, brotherly life with much fruit of service.

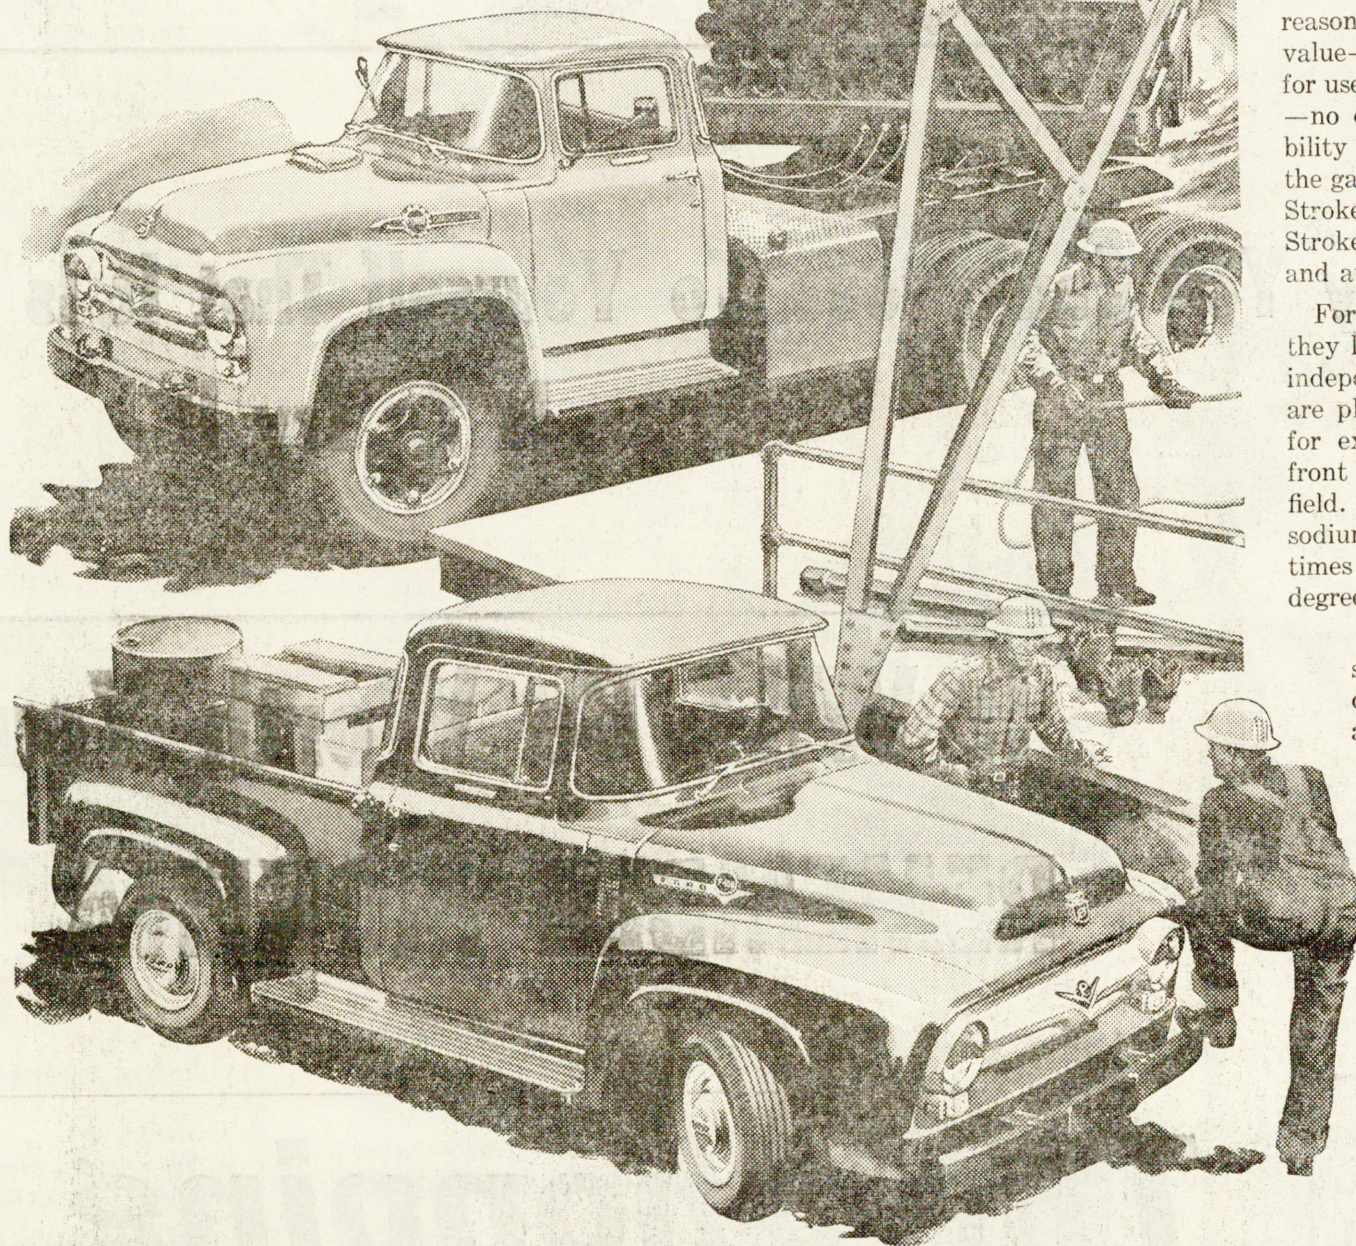

The Thing, Not the Word

The word "conversion" occurs only once in the whole Bible (King James translation)—Acts 15:3. All the words together, like "convert," connected with this, make only fourteen out of the thousands of words in the Bible. But the thing is there, and that is the important point. One way of putting it is suggested by the story in Acts 9, which of course does not use the word "conversion." What happened there? Saul came into contact with Jesus; and instead of hating him any more, he worshipped him. He called him "Lord." That's conversion. But not all of it. Paul in later years told this story twice, (that we know of—there must have been other times): Acts 22 and 26. He said about it: "I was not disobedient to the heavenly vision." Conversion is response to the touch of God. Conversion begins when we first take orders from Him.

The pay-off is in the payload! New Ford T-800 tandem-axle model lets you carry up to 3,000 lbs. more payload than most other 6-wheelers. GCW 65,000 lbs.

More loadspace than any other 1/2-ton pickup—up to 19 cu. ft. more! New Ford F-100, GVW 5,000 lbs., now offers full 8-ft. box. 6 1/2-ft. box is standard.

Ford costs start low—
Ford costs stay low...

Certified studies show Ford Trucks last longer than any of the other four leading makes

Compare Ford model for model with any other truck line and you'll find that, based on factory-suggested list prices, Ford has more models priced under competition than any other line.

But low initial cost is only one of the reasons why Ford's cost less. Take resale value—it stays high, thanks to the demand for used Ford Trucks. Take operating costs—no other trucks give you the dependability of Ford's rugged chassis design with the gas and oil economy of a modern Short Stroke engine. Only Ford gives you a Short Stroke engine, V-8 or Six, in every truck—and at no extra cost.

Ford Trucks cost less to maintain because they last longer. This is a fact certified by independent life insurance experts. There are plenty of reasons why. Ford Pickups, for example, have the highest combined front and rear axle capacity in the half-ton field. Ford Heavy Duty engines have sodium-cooled valves that last up to five times longer because they run up to 225 degrees cooler.

When you take everything into consideration, you'll agree it costs less to own a FORD Truck. Before you buy any truck, see your Ford Dealer.

FORD TRUCKS LAST LONGER

Certified by independent insurance actuaries for the ninth consecutive year! Studies of over 10,068,600 current license registrations show that Ford Trucks last up to 9.9% longer than any of the other 4 leading truck makes!

Mrs. Gerald Johnson was elected president of the evening circle of the Methodist church at a recent meeting. Other officers elected were Mrs. Roy Fitzer, vice president and program chairman; Mrs. William Stoner, secretary; Mrs. Harold Doering, treasurer. Mrs. Glenn Vally chairman of the nominating committee presented the list of officers. Mrs. Robert Brown, retiring president conducted the business session. Mrs. Warren Hair gave the devotion. Demonstrating her originality in trimming hats, Mrs. Martha McDonald of Joliet, added various flowers, veiling and ribbon to a pill box type hat made from a man's straw hat. A good quality of straw can be washed, Mrs. McDonald stated, with soap and water, dyed and blocked on a mixing bowl or cookie jar. An attractive summer hat of artificial cherries and apple blossoms, also was created by Mrs. McDonald.

Refreshments were served by Mrs. Roy Fitzer, Mrs. George Vally, Mrs. Paul LaVinn, and Mrs. Eugene Hunt.

St. Jude's Altar and Rosary society met Tuesday night, April 24. New officers elected for the new year were: president, Mable Reiter; vice president, Mary Lacey; secretary, Rosemary Romeo and treasurer, Nora Lydon. Plans were made for the in-

stallation of officers and banquet, to be held Tuesday night, May 22 at the Arch Inn, on Rt. 30 and Harlem ave. Plans were also made to hold a bakery sale following masses, on Sunday, May 20 in the parish hall.

Following the meeting, movies were shown by Paul Leach of Cherry Hill, on his recent trip to Europe. Refreshments were served by Mrs. Loretta Madsen, Mrs. Kathryn Adams, Mrs. Fern Brown, Mrs. Reiter, and Mrs. Stella Santerelli.

Betty Jane Woodman was one of the representatives from the Chicago Motor club or AAA who is enjoying a week's educational tour free, sponsored by the AAA, thru the Smoky mountains, with 48 other representatives from 21 states. Among those on the trip are managers of the various AAA and touring counselors, as is Miss Woodman. The group all met for the start of the trip on Sunday, April 29 at the Andrew Johnson hotel in Knoxville, Tenn. While there they visited the Blunt mansion and the Andrew Johnson National monument. They are visiting many places of interest in the Tennessee valley; in Virginia, and in North Carolina. Grandfather Mountain, with its mile high swinging bridge, Mt. Mitchell, the highest point east of the Rockies, and Blackberry Farm near Fontana village were among the highlights to be seen in North Carolina.

Miss Woodman, daughter of Mr. and Mrs. Gilbert Woodman, Cooper street, New Lenox, has worked for the Chicago Motor club for four years, as a touring counselor, since her graduation from Joliet Township high.

Mr. and Mrs. Wayne Chesmore returned home Thursday from New Orleans, La., where they attended an American wood preservers convention.

Miss Patricia Knowles, bride-elect, was honored at a miscellaneous shower recently by Miss Phyllis Holman, Mrs. Edna Holman of Kankakee, and Mrs. Doris Schumacher of Braidwood, at the Holman home in Kankakee. Prizes for the novel games were awarded to Mrs. Florence Pelton of Bradley, and Miss Arlene Necker of Channahon. A buffet luncheon was served from a table decorated in the future bride's chosen colors of pink

and aqua, and centered with a bridal doll cake.

Many lovely and useful gifts were presented to the guest of honor from under a large decorated pink and aqua umbrella. Guests were, the Mesdames Tillie Watson and Minnie Holman, Kankakee; Ida Hanson, Gardner; Betty Hutton, Jane Manthi, Virginia Lilroy, Mary Lou Zager, and Lilly Dillon of Joliet; Florence Pelton, Bradley; Dorothy Handrix, Dwight; Doris Schumacher, Braidwood; Lois Reese, Bourbonnais; Lorraine Greenan, JoAnn Blain, Loretta Funk, Jane Larson, Hazel Bill, Peggy Haake and Norma Kuirer, Coal City; Nora Cook and Theresa, and Miss Arlene Necker of Channahon; Ethel White, Lemont; Selma Vaughn and Gloria Janis, Lockport; Gladys Moore, Wilmington; Eve Price, Mineoka; Lester Brown, Edmund Knowles, Sr., Edmund Knowles, Jr., Marion Phillips, and the Misses Shelby Brown, and Jill Knowles of New Lenox.

Miss Knowles was honored at another miscellaneous shower this past week given by Miss Shelby Brown, Mrs. Edmund Knowles, Jr. and Mrs. William Knipfle. The party was held in the home of Miss Brown, and assisting them was her mother, Mrs. Lester Brown. Games were played and prizes awarded. Duplicates were presented to Miss Knowles, who also received a corsage of pink carnations. Refreshments were served from the dining room table, centered with a miniature bride and groom, and decorated in pink and aqua.

Guests were the Misses Donna Towns, d. Ann Zusag, Diane Wondrasek, JoAnn and Barbara McCure, Carrie Roberts. Betty Woodman, Jean Jensen, Dorlene Cleveland, Roselyn Wise, Hester Cruise, and Shirley Tarrant of New Lenox; also Mrs. Gerald Knowles and the Misses Geraldine and Mary Jo Knowles of Joliet; Mrs. John Ellis, Mokena; Mrs. Robert Holman and Miss Phyllis Holman, Kankakee; Mrs. Rolland Knipfle, Frankfort; Mrs. Clyde Funk, Mrs. Dominic Chelino, Mrs. Frank Kenne, Mrs. Edmund Knowles, Mrs. Lester Brown, New Lenox.

Mr. and Mrs. Edward L. Walsh entertained Sunday at a 6 o'clock dinner honoring the birthday of their daughter, Mrs. Roy Minger. Following the dinner, Ralph Nieland showed moving pictures. Mrs. Minger received many lovely gifts from the guests who were: Mr. and Mrs. Walter Pfaff, Miss Sylvia Pfaff, Mr. and Mrs. Ralph Neiland, daughters Kristal and Sherry, Frankfort; Mr. and Mrs. Marvin Weitendorf, Mr. and Mrs. Benne Benson, and Mrs. Nellie McGovney, Mokena; Mr. and Mrs. Wilbur Walsh and Allen, Mr. and Mrs. Roy Minger, sons John and Skipper.

Miss Gailyn McCoy, daughter of Mr. and Mrs. Ralph McCoy, was elected Spring Sports Hostess for the G.A.A. activities at Lincoln-Way high school last week. Mrs. Don Wennlund entertained in her home Thursday night at a demonstration party. Gerald Johnson was elected president of the New Lenox Methodist Dramatic club at a recent meeting in the church. Others elected for the ensuing year include: Donald Whitaker, vice president; Barbara Spryberry, secretary; and Lucille Toyrog, treasurer. The slate of officers was presented by the nominating committee, Marion Kerr, Jane Anderson and Vera Chapman.

Ron Crisman, retiring president, discussed the fund raising campaign which will be launched by the New Lenox Methodist church. It was reported that a number of New Lenox club members attended the play presented recently by the Joliet Foot, Theatre group. During the program a play was read. Patricia and Gerald Johnson were hosts for the meeting.

Mrs. Dale Krohn was elected president of the Second Child Study club at their meeting held Thursday night in the home of Mrs. Michael Kruck. Other officers elected were: secretary, Mrs. Ronald Vondrasek and treasurer, Mrs. Gene Krohn. Mrs. Robert Schuette was co-hostess.

Mr. Kruck, assistant principal and eighth grade teacher of the Haven school, was the speaker. He talked on relationship between parents, student and teacher. Plans were made for a bakery sale to be held in the New Lenox library May 19.

Mrs. Helen FitzGerald will entertain the club at their May meeting in her home at Manhattan.

The Trinity Evangelical Lutheran church Chancel Guild will meet Monday May 7, at 8 pm. in the church. Mrs. Ruth Anderson, president, announces that the Altar guild for the month of May are Mrs. Martha Steinbrenner and Mrs. Gene Jacobsen.

Susan McCollum and Linda Schwab were elected to represent the Bluebird 4H club at summer camp Shaw-waw-na-see at their regular meeting Tuesday afternoon, April 24 in the Lions den. Jeannine Peters and Judy Martin were chosen as alternates. After the meeting, Mary Lubway and Darlene Minth demonstrated the making of fruit salad; Kay McCure and Donna McCollum demonstrated how to use various kinds of scissors; Virginia and Marcella Troutman demonstrated the making of a vegetable salad; and Barbara Beadles demonstrated the handling of foods. The next meeting will be May 15 after school, in the Lions Den.

Members of the Cardinal 4-H club will meet this evening,

May 3 in the Lions Den.

The Woman's Guild of the Grace Episcopal church is sponsoring a card and bunco party Saturday night, May 5 beginning at 8 o'clock, in the parish hall. Prizes will be awarded and refreshments will be served.

The G.A.A. girls of Lincoln-Way high school are planning a mother-daughter banquet to be held May 8 at the school. Serving of the ham dinner will begin promptly at 6:45 and entertainment including the presentation of awards and announcements of next years officers, will follow the dinner.

C. Y. O. Vacation School

A vacation school, one of the several conducted in Will County by the Catholic Youth Organization, will be held in St. Jude's New Lenox, this summer. The vacation school is part of the C.Y.O. program which promotes not only athletics, but also cultural and educational programs. Full details of the school which begins June 25 for five weeks, will be announced later.

It is open to Catholic and non Catholic children in the 6-12 age group. Arts, crafts and games make up much of this summer program. Registration date and other information will be announced later.

Cub Scout Pack 8 met April 26 in the Lions Den. Mrs. Doris Cooper, den 1, had the opening and led the group in the pledge to the flag. Mrs. Beatrice Holenberg, den 9, entertained with a Penguini skit. Robert Park gave the treasurer's report, and Robert Reiter showed movies on Forestry.

Refreshments were served by Den 1, after which the following badges were given out: Bobcat pin, Don Alan Anderson; Wolf badge, Bruce Gleason; Bear badge, Dennis Yarbrough; Den 15 Pfeiffer and Bobby Kerr; Lion badge, Jimmy Davies; Arrow badge, John Davis; Gregory Reiter, Bruce Gleason, Dennis Yarbrough, Dennis Pfeiffer, Jim Davis and Bobby Kerr.

Members of Cub Scouts pack 8, will go on a trip to the Cracker Jack plant in Chicago Monday, May 7. The group will go by bus, and will meet at the Haven school at 12 o'clock noon, and bring a sack lunch.

A cake baking contest put on by the Appliance Maintenance Corn, and sponsored by the

Cub Scout Pack 8, will be held Saturday night, May 19 at 7:30 in the Haven school. Cakes entered in the contest must be at the school by 2:30 that afternoon. The grand prize will be an electric stove, and there will be prizes for the winners of each division, for each kind of cake. There will be six classifications, and prizes for the Juniors also.

Twenty five members of the MYF attended the roller skating party at Plainfield Friday night.

Mrs. Bertha Werner, who underwent surgery last week in Silver Cross hospital, has returned home.

CARD OF THANKS

I wish to express my gratitude to my many friends at Carl Sandburg High School and elsewhere, for the many cards and gifts sent to me during my illness and stay in the hospital.

BEATRICE NALE

The Laurel Camp 1796 RNA met Friday evening, in the home of Marion Lang. For something different, the Camp planned to sponsor a "Galloping Koffee Klatch" some evening in May with a social period to follow. Be prepared to spend a social evening when someone calls on you. Memorial services will be conducted at the May meeting. RNA Memorial flags will be placed on the graves of deceased members. A social period followed the business meeting with Theresa Nerren and Lillian Knox assisting Mrs. Lang with refreshments.

Mr. and Mrs. Bernard Homering are being congratulated upon the arrival of their first grand

child, a girl born in the Roseland Community hospital, Saturday April 28. She weighed eight pounds, six ounces and has been named Sharon Elizabeth. The happy parents are Mr. and Mrs. John Lahti. Mother and daughter are doing fine.

Susan Schrank celebrated her 7th birthday April 26 with a party for her school mates after school. In the evening her aunts and cousins continued the party. Aunt Rose Enders baked the birthday cake.

Miss Rose Enders spent a few days with her sister, Hattie Huelett in Midlothian recently.

Miss Lillie Mattson and Mrs. Ray Myrick attended a travelogue program at the Edison company auditorium on Dearborn St., April 26. The Edison Co. Camera club sponsors four travelogue programs a year. This one was about the Columbia river thru Canada and the United States. The Choral society entertained with several selections.

The regular meeting of the WSCS of the Methodist church was held last Thursday afternoon, in the church. A dessert luncheon with Mrs. Stewart Loebe and Mrs. John Loebe, hostesses, preceded the opening of the business session. The Mother and Daughter banquet has been changed to the 17th of May instead of the 10th as previously announced. Mrs. Thomas Cooper conducted the devotional period and Mrs. Robert Plastow gave a talk on "The Grace of God" in connection with the devotion. Plans are in the making of having another "Fellowship" supper in May.

The Methodist Men's club of the Methodist church sponsored a field trip to the Chicago Temple, Sunday evening, with 28 members and friends going by bus. The group attended the evening worship service at 7:30. Dr. Rockwell C. Smith, professor of rural church administration and sociology at Garrett Biblical institute, delivered the sermon. A twilight hymn sing by the audience of some of the old favorite songs was much enjoyed. A tour to the Chapel in the Sky followed the services. After riding the elevators to the 22nd floor some of the group climbed 173 stairs to the Sky chapel located in the tower which is 400 feet above the street level, the others rode in an elevator. A brief service and explanation of the 16 stained windows was given. On the return trip a stop was made at the Host House for a light lunch.

"The Jet Age", is the title of a film to be shown at the Orland Park Methodist Men's club meeting this evening, May 3 in the social room of the church at 8 p.m. Members and friends are urged to attend and bring their sons, since this film will be of special attraction to our youth.

Double birthdays were celebrated in the home of the Frank Militello last week. Frank, Jr., celebrated his nineteenth birthday May 1, and Mrs. Militello's birthday was on May 2. Happy Birthday Neighbors!

It was a sad Friday in the Woodbury home as "Missy" their pup was lost. Mr. Woodbury was on his way to the station to pick up Mrs. Woodbury and had taken Missy along for the ride. At 135th and Harlem the dog jumped from the window of the car as Mr. Woodbury stopped for the intersection. Knowing the dog was unfamiliar with that area they only hoped she would find her way home. On his way to the train station Saturday evening he again came to the stop sign. No sooner had he stopped, than he heard a familiar bark and their sat "Missy" waiting for him!

Janine Nelson was out of

school several days last week with a sprained ankle. Mrs. John Tabbert had an accident in her garage. As she opened the overhead doors they failed to catch and came down striking her on the head with such force it threw her against the wall. Other than a terrific headache she was unhurt.

The Cub Scouts of Den No. 3 with their den mother, Mrs. Yomans, visited the Aquila club which has exhibits of birds in their natural habitats. Last Saturday they toured the fire house in Palos Heights. Last week the boys made bird houses for their project at Scouts and they will be on display at the Pack meeting.

The Orland school children received their booster shots and vaccinations last week. These shots are required every three years either given by the school or your family doctor. Dr. O'Reilly administered the shots at the school.

The gas company is installing their pipeline on the back road, 139th street, where several homes will be constructed this year.

The John Tabberts, Jack Nelsons, and Robert Andersons have planted more evergreen

trees. If this keeps up, evergreens will outnumber the mighty oaks. The Ralph Lee-lands have a row of evergreens on one side of their home and the Sneddens also have put in more evergreens as well as two wagon wheels on either side of their drive.

The Beautification committee consisting of Mrs. George Carroll and Mrs. Arnold plan to have the bus shelter moved back a little way and put in evergreens on either side of the road at 80th ave. in a triangle shape. This will certainly be an improvement and really beautify the entrance to the woods.

Several of the children will be making their First Communion at St. Michael's soon. They are, Barbara Weiss, Janine Nelson, Bruce Niebrugge, and Raymond Cotter.

Oscar Widdle, Mrs. Ahnell's brother, returned from a three month vacation trip to California where he visited relatives and then spent some time at the Ahnell's lovely farm home on 143rd st. He left for his home in Grand Junction, Mich. last Saturday, with the John Tabberts and Robert Andersons who went up for the day. The weather was much warmer in Michigan a temperature of 44 compared to the 39 degrees in Chicago.

Quite a commotion was caused in front of the school on 143rd st. Friday when "Frisky" Charles Harris' dog, escaped from the Anderson car. Traffic slowed and stopped as Frisky frisked on the highway and children called to no avail. The dog was finally captured and serenity prevailed.

A directors meeting was held at the home of George Carroll last Monday night. Among items discussed was oiling the roads and the best day to have it done. The less traffic on the roads after they are first oiled, the better, as will be explained to you by Mr. Anderson. Miss Carroll Tabbert will print signs asking any one who has to use the road to travel at a speed not exceeding 10 miles an hour as it is best for the roads and your cars won't benefit from traveling over newly oiled roads. Your thoughtfulness will be appreciated by the road committee.

Tickets for the Orland Park Fireman's dance may be purchased from Mr. Anderson. It is hoped every one will buy a ticket as we have found out how important it is to have the aid of the volunteers when needed. They need your help now.

Roy Walker and Arthur spent the week end fishing at Fredmont, Mich. Arthur sort of passed his father up as a fisherman by catching two wall-eyed pike. One was 15 inches long, the other 18 inches.

Mrs. John Cruise reports she has been advised by Miss Campbell, Cook county health nurse, that her proposal for a child study group in Orland township is under consideration by the county health department. If such a group should be organized, it will be the first in Cook county. Neighboring New Lenox, in Will county, has several such groups. Any interested persons in the Orland area should call Mrs. Cruise at Feldbrook 9-2916.

Culr Scouts, den 5 of pack 218 held their regular weekly meeting in the John Cruise home Thursday afternoon. Under the supervision of den mothers, Mrs. Roy Walker and Mrs. Cruise, members made Mother's Day cards from construction paper on which they embroidered designs. Attendance, achievements and electives were checked and the monthly personal appearance inspection was made.

The Maude PTA, a member of the Southwestern area council, district 19 will hold the regular monthly meeting at the school, Wednesday evening, May 9, which will be the last meeting of this school year. There will be installation of officers who are:

Mrs. Norman Strassenburg, president; Mrs. Owen Mame, 1st vice president; Mrs. Wm. Donovan, 2nd vice president; teachers, third vice presidents; Mrs. Roy Walker, secretary; Mrs. Raymond Knieriem, treasurer.

The annual school picnic, sponsored by the PTA, is planned for June 3 at Messenger woods. Vaccinations, diphtheria and tetanus boosters will be given Maude school children at the school during the latter part of May. Parents of pre-school children needing vaccinations and boosters may take advantage of these services at this time if they will notify Mrs. Roy Walker at Feldbrook 9-2805.

FARMERS CAN GET SPECIAL CREDIT AID

Farmers in Illinois are eligible for credit assistance for their farm operating expenses for the 1956 crop year with special operating loans thru the farmers home administration, according to Robert C. Becker, at the Woodstock office.

These loans are to supplement the regular source of credit and not to replace it, Mr. Becker said. Loans are generally of an annual nature and may be used to pay the normal recurring costs of operation on the farm during the crop year. Applicants must be certified as eligible by the local County Committee of Farmers Home Administration.

Special operating loans are secured by a lien on the operator's crop and bear interest at the rate of three per cent. In addition to this Special Loan, making other types of loans both chattel and real estate to assist farm operators and owners to carry out successful farm operations.

Mr. Becker maintains his office at 110 1/2 East Jackson St., Woodstock.

The American Red Cross is now supplying 75 per cent of all serum albumin in the United States used in severe shock therapy, burns, kidney and liver disease.

LAMB STARS IN SKILLET MEAL

Like to relax a bit before dinner? Take the long-time partners—lamb chops and pineapple; add a covered skillet — old favorite heavy iron, colorful new porcelain-coated cast aluminum, or versatile automatic electric skillet; and there you have it—thirty precious minutes of freedom from the kitchen at a time you are usually chained to the range.

This easy-to-do skillet meal makes use of low-cost, meaty, full-of-flavor shoulder lamp chops. Tender enough to be oven-broiled or pan-fried, accommodating as oven and casserole meals, these shoulder chops are a good buy any time of the year.

LAMB SKILLET MEAL

Using 1 lamb shoulder chop for each serving, melt small amount of butter in heavy skillet and brown chops over moderate heat, turning once. Sprinkle with salt, pepper, a dash of powdered thyme, minced parsley. Add half slices or cut pieces of canned pineapple, and, if desired, raw carrots cut in finger-sized strips. Pour in ¼ cup of the pineapple syrup, more if liquid cooks low. Cover tightly and cook very slowly until fork-tender, about 35 minutes for ¾-inch thick lamb chops. Serve hot with steamed rice and a tossed green salad.

Urges Government Get Out of Competition with Business

Some progress is being made in getting the government out of competition with private business, and it should be stepped up in the public interest, says the National Association of Manufacturers.

The NAM recently testified in favor of House Resolution 7795 which applies to commercial-type bakeries, laundries and dry cleaning plants operated by civilian departments or agencies of the federal government—some 227 units, as listed in the report of the Hoover Commission last year.

"This bill is commendable for its effort to bring about review of these commercial-type government services and production units," an NAM witness told a subcommittee of the House Committee on Government Operations.

"It is a step in the right direction, and we hope it will lead to the eventual elimination

of all unnecessary and uneconomical operations of this type.

There are hundreds "and even thousands" of examples of government competition with private enterprise, the NAM asserted, and it is eager to see such operations curtailed and terminated "not only for reasons of principle."

In the Department of Defense alone, the NAM said, there are reported to be more than 2,500 commercial and manufacturing ice and turning out good in competition with private business.

Taxpayers are increasingly aware of the "unreasonableness and unfairness of this kind of tax-exempt, publicly financed competition with private enterprise," the NAM said, and realize that both operating losses and capital losses of such government operations are in the last analysis charged off to them.

attended their Couples Club party Saturday night in the home of Mr. and Mrs. Howard Malloy at Worth. They had as their guests Sunday, Mr. and

Mrs. David Neilsen of Chicago.

The Lincolnwood Lions club held a dinner meeting last Wednesday night in the Lincolnwood Drive-In. An election of officers will be held at the next meeting. The Lions have planned to sponsor the Sea Scouts which will be made up of boys from Lincolnwood Hills and New Lenox. The scout leader will be James Elmore.

several other missionaries will also visit the Sunday school at 9:45 a.m. The missionaries will appear in the dress of the countries in which they serve.

The Rev. and Mrs. Donald Chadkawn, of Angola, African, will speak at the church Friday night and show color sound films and on Saturday night Miss Marion Houey, a missionary to Japan, will speak. Both programs are scheduled for 7:30 o'clock.

Missionary

Dr. Carl Armerding, who has served as a missionary in Spanish Honduras, British West Indies, Columbia, Puerto Rico and Central American and pastor of the College church at Wheaton for seven years, is to speak at the 11 a.m. and 7 p.m. services at the Midlothian Bible church Sunday, May 6. What Is A Caterpillar Trainee?

Trainees learn both in the office . . .

MOST OF ALL, he is a young man who wants to get ahead. He wants a job with a future—one that will develop his skills through classroom instruction as well as on the job training.

YOUNG MEN enrolled in one of Caterpillar's 4-year training courses, for example, spend 10 per cent of their total training time in the classroom . . . and in the shop they learn to feel at home on various jobs.

AND ALL THIS TIME they are earning GOOD WAGES and receiving periodic PAY INCREASES!

IF YOU ARE (or soon will be) a high school graduate, you're invited to visit our plant at 9 a. m. or 1 p. m., Monday through Friday, for a trip through the plant and a look at our training facilities. And, if you wish, bring Mom or Dad with you—they'll enjoy it, too!

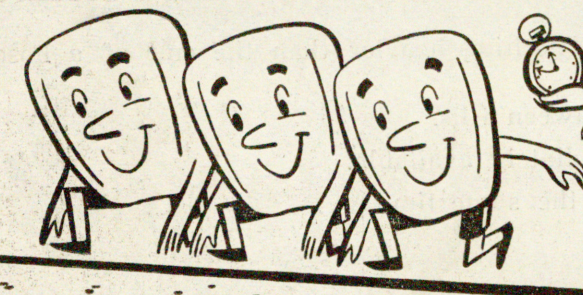

. . . And in the shop
